

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

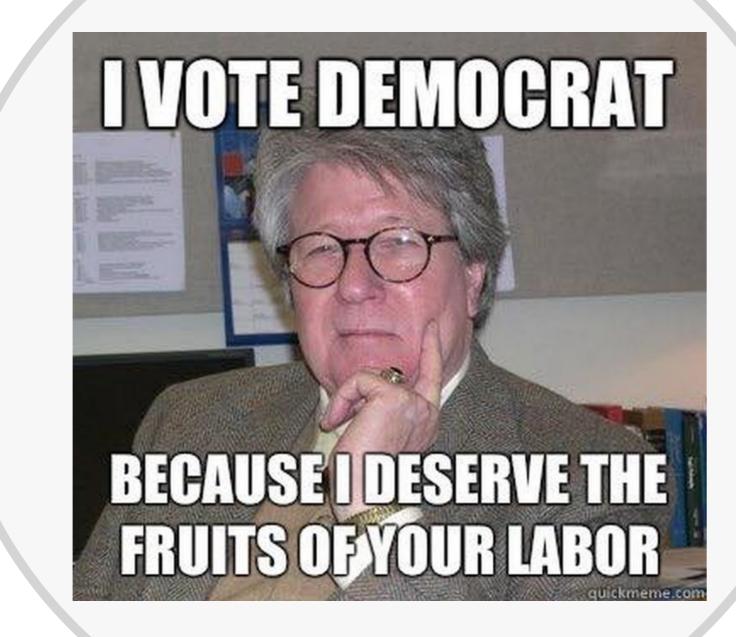

That one vote can change or bring an revolution

For their benefit they choose a great leaders

People image that they provide us with a peaceful transition of power from one form of government to other

people wants a best leader to lead us to a better life for 5 years

people believe that they had an legislative power and they proceeded in many places people had a hope of cancellling a agricultural loan

people imagine that they can improve the quality and standard of education

They have a imagine of developing the growth for hamlet

They sacrifice the life, selfless ,persistent they worked hard to help people

Many candidates did not fuifill the promise what they had promised in the election time

Many funds from the government did not reach the people

Using their influence on the unworthy people

Does

What behavior have we observed? What can we imagine them doing?
